

Making MTSS Doable

A two-day workshop to help schools implement MTSS

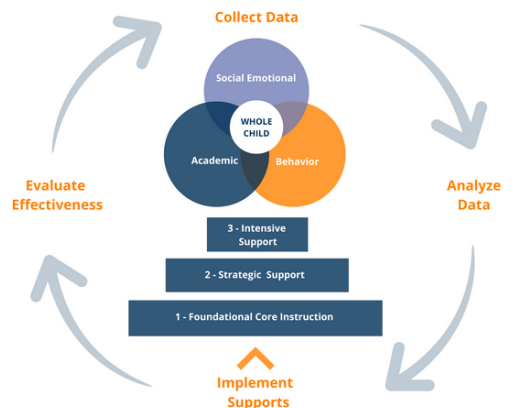

March 9 & 10, 2023

University of New England, Biddeford, ME campus

9:00am - 3:00pm

For school or district teams of 4 - 6 people

These two productive days will provide teams with targeted support to do focused work together to make progress toward implementing an MTSS framework at their school. *Lunch will be provided.*

DAY 1:

- Understand the components of MTSS as a framework that leverages existing resources to reduce barriers to learning.
- Learn about setting up tiered social-emotional, behavioral, and academic supports and opportunities to meet the needs of the whole child.
- Assess your school/districts readiness and available resources for MTSS and/or prioritize areas of need and set goals.
- Explore barriers to devise solutions for successful implementation.

DAY 2:

- Dig into work with your team to initiate or expand your MTSS implementation plan by focusing on priority areas and devising action plans.
- Explore progress monitoring through the MTSS framework and ways to schedule in order to support this framework.

Cost: \$3,995 per school team
